

## MODEL 560 DELUXE OVEN

from thin, thick and self-rising pizzas to pretzels, sandwiches and other food items of a non-greasy nature can be prepared with ease. Long life, continuous operation, unique design and versatile capabilities make the 560 the ideal oven for demanding commercial food service environments.

The outer housing and grill front are made of 22 gauge brushed 430 stainless steel. The inner housing and other parts of the oven are made from aluminized steel for corrosion protections.
